

The image is a detailed architectural floor plan of a courtyard. The central area is a large, open square. To the right, there is a semi-circular feature, possibly a fountain or a large planter, with a dashed line indicating a path or boundary. Along the right wall, there are several rectangular alcoves or niches, one of which is highlighted with red diagonal hatching. At the bottom center, there is a small rectangular structure, possibly a gate or a small building, with a red hatched area above it. The plan includes various dimensions: 1.15 and 2.20 on the left side, and 1.90 and 3.90 at the bottom center. The title 'Corte Rinascimentale Saperi e Sapori in Cattedra' is written in a bold, orange font in the center of the courtyard.
